The P-5 Advisory Committee met at Round Hill Country Club. Rick Kopf called the meeting to order at 7:02 PM. Minutes of the June 16, 2021 meeting were approved and passed unanimously.

Public Comment: none

Financial Report: Mark Young discussed the Financial Report handout. Including June's projections total FY 20-21 expenses will be approximately \$573,000.00 with a reported revenue of \$646,120.00. Our Reserve surplus will be increased by approximately \$73,000.00. Future yearly tax revenue plus contributions from the Reserve Account when required should keep the P-5 Police Area funded without deficit for six more years. The August meeting Financial Report will include the exact figures for FY 20-21. Overtime expense for May and June was a one time increase due to Deputy Torres Family Leave time.

P-5 Activity Report: Deputy Torres reviewed the Police Report which indicated a quiet Round Hill area. There was one incident of petty theft due to the disappearance of five of the American flags at the entrance to Round Hill. High visibility is continuing in order to emphasize a police presence. Lt. Wooden

discussed the possibility of using Flock Cameras in strategic locations to provide more information in the apprehension of suspects when there is criminal activity in Round Hill. In an email to Committee Members he will provide more information on these self contained cameras. The radar trailer now has an active use schedule that will be split between the Round Hill and Alamo areas.

In the month of June Sheriff's Volunteers patrolled 121 Round Hill Streets (233 YTD) and issued 63 warning notices (96 YTD).

Old Business: Mark Cordone was recognized for his timely article on P-5 in the RHPOA newsletter

New Business: Rick Kopf commented on the pleasure of being able to meet in person with Committee Members once again.

The meeting was adjourned at 7:37

Respectfully submitted by Lee Mlejnek.
